Roll call. Present were Adam, Carrie, Veronica. On phone were Tracy, Tony, Elizabeth

Public Comment

Michael Boyd spoke about Dillon Park which is city owned.

- 1) Pavement on trail is very helpful but the gravel parking lot makes it difficult to impossible for wheelchairs. Needs paving at least where handicap parking is. Per Adam, county would be responsible for paving.
- 2) Edges of trail (both sides), drop off where if a wheelchair drops off, it will be a rescue situation. This also applies to bikes or strollers.
- 3) Michael also stated he would like to have a pavilion level with parking lot with picnic tables or benches.

Meeting minutes from the 11\16\21 Mtg were approved

Update from Financial

- 1) BOE Adams floor - door knobs in all rooms
- 2) Adams Bldg. Parking lots - back from engineer
- 3) Senior ctr - Talking to Neal to understand needs
- 4) Adams Bldg fire escapes - architect has done on site work
- 5) No answers on elevators for Adams Bldg.

Recommendations\ ideas for ESSER funds - no response on implementation. Carrie will check back with Stephanie.

Community center gymnasium part - next to Lions club.

- 1) Large step going into both doors makes it not accessible for wheelchairs. The front door is ADA accessible due to Headstart but not available for the public.

Carrie reached out to Lewis in IT to ask what is needed for further updates.

Next meeting scheduled for July 19 at 5:30
