WOODBURY, TN –Cannon County High School’s Basketball game vs Cascade has been rescheduled for Wednesday, January 24, at Cannon County High School.

The previously canceled game @ Grundy has been rescheduled for Monday, January 29, at Grundy County High School.

The previously canceled game @ Community has been rescheduled for Wednesday, January 31, at Community High School.

Senior Night will be February 2nd, with Grundy County at home.

CCHS Athletic Director Lydia Garrett states, “Thank you for your patience throughout this scheduling process. All district basketball games must be played by February 9, per TSSAA. With cancellations statewide and available dates to reschedule dwindling, this has created a schedule that is not ideal. Again, we thank you for your patience during this process and hope to finish the 2023-2024 season without any more changes.”

All games will begin at 6 pm.
