## **Cannon County High School Students Earn Industry Credentials**

*Woodbury, TN–*

Cannon County High School students have the opportunity to earn industry credentials through the Cannon County CTE Department. Our Health Science program offers Certified Nursing Assistant and Certified Clinical Medical Assistant credentials, along with OSHA10-Healthcare and CPR/AED/First Aid. The Marketing Management program of study provides Hootsuite Social Media Management certification, and the Architecture and Construction pathway offers OSHA10-Construction. The agriculture programs also offer OSHA10 and LEEPS (welding) certifications. This comprehensive range of credentials is the result of our close collaboration with industry partners, ensuring that our students are well-prepared for their future careers.

Congratulations to the health science students who have completed the Certified Nursing Assistant and Certified Clinical Medical Assistant industry credentials. From left to right, Ivan Segoviano (CNA), Madalyn Phillips (CNA), Reese Vance (CNA), Zoe Nichols (CMA), and Traven Lawson (CMA).
