## **Cannon County Schools Conduct Back-to-School Safety Training In-service**

*Woodbury, TN, August 7, 2024-*

Cannon County educators participated in safety training as part of a back-to-school in-service. Cannon County High School Principal Courtney Nichols coordinated the event, and topics such as Crisis Planning, Dangerous Drugs update, Handle with Care Program update, and a Reunification Drill were held at the high school. Instructors from the district included Safety Director Bill West, Principal Nichols, and others from the Tennessee Bureau of Investigation and State Homeland Security. Cannon County Sheriff's Office SRO division members were also introduced.

Cannon County Schools Safety Director Bill West commented, "Director Patterson has made safety a top priority for the district each year, and this training day was just another example of how hard our faculty and staff throughout the district work to meet this priority for our students and employees."
