## **Cannon County Honors the December Employee of the Month**

*Woodbury, TN*– Cannon County Schools would like to congratulate the December Employees of the Month, Ashley Cantrell, Dr. Shannon Martin, and Laura Daniel, educators at Cannon County Middle School. These three teachers were nominated by Dr. Annie Reed, Principal of Cannon County Middle School, and 6-12 Instructional Coach Megan Klingler for their willingness to give up planning time to teach ELA classes during the absence of a teacher. Dr. Reed states that Shannon Martin is a prominent presence at CCMS, whether in the classroom, guiding young adults in his office, or assisting everyone around him. He dedicates himself to supporting students and crafting impactful lessons while leading our school team toward innovative approaches and engaging with all students at CCMS. In her first year at CCMS, Ashley Cantrell has exemplified the true spirit of the school by assisting as many individuals as she can. She works closely with students in small groups and goes above and beyond for her colleagues, all while taking on the CCMS Boys' Basketball Coach role. Laura Daniel, our go-to media specialist and technology enthusiast, collaborates with teachers to develop meaningful classroom experiences. During Genius Hour, she engages with students on the yearbook project and serves as our Computer Science expert.”

District and School Administrators can nominate Cannon County Employees of the Month each month for exceptional work leading to student success.
