**Cannon County Schools Receive Donation from Nissan**

WOODBURY, TN –Nissan recently donated a 2023 QX60 Infiniti to Cannon County High School for its CTE program. The vehicle will be used as a training resource, allowing students to have hands-on learning experience while preparing them for possible careers in the automotive industry. Students can use the vehicle to learn by exploring and disassembling the brake assembly, tires, wheels, engine, and interior components. While the vehicle cannot be registered and driven on the street, the school can use the vehicle for automotive service-type programs.

Crystal Kennedy, CTE Director, said, “We are grateful for our partnership with Nissan and for this donation that will allow students the opportunity to work with a vehicle straight from the factory line. The hands-on learning that will now be available is substantial, and we are excited to see the remarkable things our students can accomplish.”

Bonnie Patterson, Director of Cannon County Schools, said, “We would like to thank Kristal Alexander, County Commissioner, for her help in making the initial contact with Nissan and Nissan, who donates vehicles such as this to technical schools and high schools to support programs such as these.

For media inquiries, please contact Ms. Bonnie Patterson, Director of Cannon County Schools, at 629-201-4815 or at [bonnie.patterson@ccstn.net](mailto:bonnie.patterson@ccstn.net) for local Cannon County Schools information.
