Cannon County Honors the May Employees of the Month

Woodbury, TN – Cannon County Schools would like to congratulate the May Employees of the Month, the participants in the Cannon County Board of Education Leadership Class 2024-2025. Members were selected by their building administrators to participate in the year-long program. A variety of topics were covered during the year, such as teacher licensure, school law, school safety issues, and school and district budgets. Members also participated in two book studies related to school and district leadership and were required to job-shadow an administrator and present a presentation of what they learned. Mrs. Bonnie Patterson states, “We are proud of these educators for completing the program and look forward to seeing them pursue leadership opportunities in the future.”

District and School Administrators can nominate Cannon County Employees of the month for exceptional work that leads to student success.
