Cannon County Schools Honors the May Good Citizen of the Month Award Winners

Woodbury, TN— Cannon County Schools congratulates Waylon Francis, the May Good Citizens of the Month award winner. Waylon was nominated by his principal, Dr. Annie Reed. Dr. Reed states, “Waylon is truly one of the kindest and most giving students at CCMS. He’s always looking for ways to help—whether it’s holding the door, showing kindness, or being there for someone who needs it most—and he does it all without being asked. He has a special way of spreading joy, which is something really unique for someone his age. In class, he’s always engaged, asking great questions, and joining in thoughtful conversations with his classmates. Waylon is an all-around amazing student who makes things better just by being himself. He has a big heart that shines through in everything he does for the people around him.”

Teachers and administrators can nominate students for the Good Citizen Award on a monthly basis. A drawing is then held each month to select the winner. Each month, the winning students can lead the Pledge of Allegiance at the beginning of each board meeting.
