Based on the school district's historical data from 2014-15 until 2023-24, the student enrollment decreased by 302 students from 2,094 to 1,792 students. Analysis and projections indicate the total student enrollment may increase over the next 10 years to approximately 2,228 by the school year 2034/35. This growth would be about 2.0% per year and the Boyd Center for Business and Economic Research indicates that the growth projection for Cannon County would be approximately 1.81%. The system-wide grade level projected student enrollment allocation by grade levels would be as follows: PreK-5 grades @ 1,087 students, 6th-8th grades @ 487 students; and 9th-12th grades @ 654 students.
