Cannon County Health Science Department Hosts Blood Drive

Woodbury, TN – The Health Science Department proudly celebrates the success of our recent blood drive. Students and staff demonstrated incredible support, coming together to make a difference and give back to the community.

Thanks to the generosity and commitment of our participants, a total of **28 units of blood** were collected. This incredible contribution has the potential to **save up to 68 lives**, making a lasting impact on individuals and families in need.

We are incredibly proud of everyone who donated, volunteered, and supported this effort. Your willingness to give back highlights the compassion and dedication that define our Health Science program.

Thank you for making a difference and helping save lives!
